8. You must tell us if your booking request is connected to any other booking, for example because you know the other party or you share a common purpose in visiting the Park. If you do not tell us about a connection, we may cancel your booking immediately and (if your stay with us has started) require you to leave the Park. You will only be entitled to a refund if a third party takes up your booking. In that event we will refund you up to the money we receive for the rebooking less our reasonable administration charges.

How to book

9. Bookings can be requested in the following ways:

- 9.1. You may use the online Booking Form

- 9.2. Online at www.lakesideretreats.uk

10. You must tell us your full requirements, for example if you are bringing any vehicles, tents or other structures. We need this information when deciding whether we are able to accept your booking and we may not be able to accommodate changes. Where we are able to do so, there may be an additional charge.
11. A contract exists when we have issued our confirmation to you.
12. Please check our confirmation carefully to see that it reflects your wishes. Please let us know of any difference within seven days, unless your holiday is to start within 14 days in which case you should inform us within 24 hours.
13. We reserve the right to refuse any booking.

The price you pay

14. Our prices include VAT.
15. The price will not be subject to any change unless the rate of VAT changes.
16. When you request your booking, you must pay the full price of your holiday.
17. Please make sure that you book all the dates you need. We are not able to guarantee that we will be able to extend your booking.

Arrivals and departures

18. Check is from 4.00 PM onwards. You must tell us by 12.00 noon if you are likely to arrive later than 7.00 pm. You may not arrive after 10.00 pm, and you are arriving later than 7.00 please call us to let us know.
19. If we have not heard from you within 24 hours of your expected arrival, we may release your booking. You will only be entitled to a refund if a third party takes up your booking. In that event we will refund you up to the money we receive for the rebooking less our reasonable administration charges.
20. You must vacate by 9.00 am on the day of your departure. An additional charge may be made for a late departure.
21. We will try to allocate you the location of your choice on the Park, but bookings are not conditional on this.

22. Your location on the Park and directions to it will be confirmed on arrival. If you are in any doubt, please check with us. Any guest staying in the wrong location may be required to move.

Changes caused by exceptional circumstances

23. We may make reasonable changes to our Services. Our changes may reflect changes in relevant laws, guidance and regulatory requirements or implement minor technical adjustments and improvements, for example to address a health and safety risk.

24. If we make changes which mean we can only provide your holiday in a radically different way, we will give you the choice between confirming your booking, agreeing new booking dates with us or cancelling. We prefer that you postpone rather than cancel but will always allow you to cancel where the law gives you the right to do so.

25. If the law prevents us from performing our obligations under these Terms & Conditions **at all**, for any reason which is not the responsibility of either party, we may ask you to postpone but will allow you to cancel if you prefer to do so. For these purposes, reasons which are *your* responsibility include any arising from your personal circumstances. Examples are ill health (except if the law prevents you from visiting or staying with us in consequence, for example because you are legally required to self-isolate) and any restrictions arising from your chosen career.

26. We may also cancel your holiday, or any unused days, if Government guidance means that you should not visit or stay with us, even if the law still allows you to do so. If we cancel and your holiday has not started, then we will refund your booking in full including any deposit. If your holiday has started, then we will refund in full any days unused when we cancel. We will not charge an administration fee and we will not deduct any Direct Costs.

27. You are not entitled to any refund if you or any of your guests leave before the end of your holiday, or if we are in serious breach of our obligations in these Terms and Conditions. If we are in serious breach of our obligations, we will refund you for the days of the holiday which have not been taken.

28. We may also cancel your holiday if you breach any of these Terms and Conditions.

29. We recommend that you consider appropriate holiday insurance which covers any cancellation charges and any additional losses which you may incur through cancellation of your holiday, whether by you or by us. We are only responsible for any additional losses if you were entitled to cancel because we were in serious breach of our obligations to you and the losses were both directly caused by our breach and reasonably foreseeable by us when the booking was made.

Complaints

30. We are confident you will be happy with our service. If you have any complaint, we encourage you to discuss it with us as soon as possible as this gives us the best chance of resolving it with you. If you remain unhappy, please contact us again within 28 days of your departure and we will try to help.

Our promises to you

32. We will allow you to stay with us for the duration of your booking for holiday and recreational purposes, provided you comply with your obligations in these Terms and Conditions and except where exceptional circumstances prevent us from doing so.

33. We will provide, maintain and keep in good state of repair the Services, except where these have to be interrupted temporarily for the purposes of repair or development or for other reasons caused by exceptional circumstances outside our control.

34. We will insure the Park against usual third-party risks to a minimum of £5,000,000 per claim.

Your promises to us

You agree that you will:

35. Keep to these Terms and Conditions and the Park Rules.

36. Stay with us only for holiday and recreational purposes.

37. Pay promptly for your holiday and other charges due to us.

38. Pay to us interest at 3% per annum over the published base rate of Barclays Bank plc from time to time (in Northern Ireland, the Ulster Bank) on any undisputed sums overdue from the due date to the date we receive such amounts from you, both before and after any judgment that we may obtain against you.

39. Not cause any damage during your holiday.

40. Not do or fail to do anything which might put us in breach of any condition of the Site Licence, which is always available on the Park in a conspicuous place. For example, the conditions of the Site Licence which may affect you include those requiring the space between caravans and other structures to be kept clear, those prohibiting combustible structures, those regarding car parking and those requiring the underside of caravans to be kept clear.

41. Not make any alteration to any accommodation or Pitch.

42. Permit us to move you to another location on the Park if necessary. We will ensure that any alternative location will be of similar quality and be responsible for all reasonable costs incurred.

Behaviour standards

These standards will apply from when you request your booking until your holiday ends. Unless stated otherwise, they apply whether or not you are on the Park at the time.

You agree to, and you must make sure that you, your party and any visitors (including, in each case, their children), keep to the following standards of behaviour:

43. To act in a courteous and considerate manner towards us, our staff and anyone visiting, using or working on the Park including other customers.
44. To supervise children so that they are not a nuisance or danger to themselves or other people using the Park.
45. Not to:
 - 45.1. Commit any criminal offence (whether or not on the Park or in its vicinity) which causes your name to be entered on the Violent and Sex Offender Register or causes you to be subject to a Risk of Sexual Harm Order or Child Abduction Warning Notice (or any register, order or notice succeeding these);
 - 45.2. Use the Park in connection with any criminal activity or commit any other criminal offence at the Park or in its vicinity;
 - 45.3. Commit any acts of vandalism or nuisance on the Park;
 - 45.4. Use fireworks, Chinese lanterns or any similar open flame heat source on the Park;
 - 45.5. Keep or carry any firearm or any other weapon on the Park;
 - 45.6. Keep or use any unlawful drugs on the Park;
 - 45.7. Create undue noise or disturbance or commit antisocial behaviour on the Park;
 - 45.8. Carry on any trade or business at the Park;
 - 45.9. Permit anyone who is to your knowledge on the Violent and Sex Offender Register or subject to a Risk of Sexual Harm Order or a Child Abduction Warning Notice (or any register, order or notice succeeding these) to use or visit the Park.
46. You agree that if you or any of your family members or visitors or guests whom you have invited to the Park break the behaviour standards listed above then we may terminate your booking.

Cancelling the booking because you are in breach of these Terms and Conditions

47. We may cancel your holiday if you are in serious breach of your obligations in these Terms and Conditions and the breach is **not** capable of being remedied or is such that it causes a breakdown in the relationship between you and us (for example violence or intentional damage to property) by serving upon you reasonable notice in writing to cancel your booking. In deciding what period of notice is reasonable, we shall have due regard to the nature of the breach and other relevant circumstances. In appropriate cases, this may mean requiring you to leave the Park immediately.
48. If you are in breach of any of your obligations under these Terms and Conditions which **is** capable of being remedied (for example, a failure to comply with the behaviour standards in our Rules which has not caused a breakdown in the relationship between you and us) we may write giving you warning, specifying the breach and asking you to remedy the breach within a reasonable and specified time. If you do not comply with that warning and the breach is either serious and/or amounts to persistent breaches of obligation, which taken individually would be minor but which taken together cause a breakdown in the relationship between you and us, we are entitled to write to you to cancel your booking. In appropriate cases, the warning we give you may be very short and we may then require you to leave the Park immediately.
49. If we cancel your booking due to a breach of our terms and conditions you will only be entitled to a refund if a third party takes up your booking. In that event we will refund you up to the money we receive for the rebooking less our reasonable administration charges.

Changing the Park Rules

50. It may be necessary or desirable to change the Park Rules from time to time, including for reasons of health and safety, the efficient running of the Park, environmental issues, local authority requirements, and/or changes in law or regulations or in the interpretation of law and regulations imposed upon us, in which case we will notify you in writing using your contact details at the address on the Booking Form.
51. Any changes made to the Park Rules after we accept your booking may affect you because you will be required to comply with the changed Park Rules, but will not affect anything else to which you are entitled under these booking Terms and Conditions.

Keys

52. We hold a key to all the accommodation we own on the Park.
53. If you are staying in our accommodation, we may use the key for any purpose authorised by you, for example if you ask us to give access to an authorised visitor. We may require you to confirm your authority in writing.
54. We may also use the key in an emergency, such as an immediate concern for the health and safety of any person, to carry out urgent repairs or preventative work, or to check and secure the accommodation if it appears to be insecure.
55. We will take reasonable care when accessing any accommodation.

Communications

56. We agree that any letters or other communications between us shall be sent using the details for us in these Terms and Conditions and for you on the Booking Form. Email may be used.

Interpretation

57. **"Park Rules"** means the rules of conduct and practice issued by us from time to time and applicable to the Park. The Park Rules which currently apply to your booking are in Part II of these Terms and Conditions.
58. **"Pitch"** does not include any part of the Park except that on which the accommodation in which you are staying stands.
59. **"Services"** means the services which we have promised to make available without a separate charge to you, for example any utilities to your Pitch. Services for which we make a separate charge are provided under separate agreements and not these Terms and Conditions.
60. **"Site Licence"** means the caravan Site Licence applicable to the Park issued to us by the local authority under Section 3 of the Caravan Sites and Control of Development Act 1960 (or in the case of Northern Ireland under Section 3 of the Caravans (Northern Ireland) Act 1963) and other relevant statutes.
61. **"You/your"** means the person making the booking and all members of their party excluding children under 18. Where there is more than one person, each is fully responsible for the obligations in these Terms and Conditions.
62. References to taxes and laws are references to them as extended, amended or replaced from time to time.

Part II Our Park Rules

63. Our current Park Rules applicable to your booking are set out below.

Lakeside Retreats Park Rules

These Park Rules are in place for the good management of Lakeside Retreats (“the Park”) and the benefit of all who use it. These rules form part of the contract between us for your holiday. They should be read alongside your booking Terms and Conditions.

The Park Rules do not affect anything to which you are entitled under the booking Terms and Conditions.

The expression ‘you’/‘your’ refers to all members of your party.

You must make sure that anyone using the park is aware of the Park Rules.

You are reminded that we may cancel your holiday if you are in serious breach of your obligations, including these Park Rules.

1. Safety

1.1 You must use the Park safely and should not cause danger to others.

1.2 You must obey all health and safety notices displayed on the Park and act on the reasonable instructions of park staff in matters of health and safety.

5. Ejection on grounds of behaviour

6.1 You are responsible for keeping the area around the caravan clean and tidy during your stay with us.

13.2 You must also refrain from smoking in any of our holiday accommodation but may use e-cigarettes.

13.3 If you are found to be smoking in public buildings or our holiday accommodation, you may be charged a £100 cleaning fee. This would be a serious breach of your contract with us which may lead to you being required to leave the Park.

14. Washing

18.3 You must tell us before you visit the Park if you plan to bring any pet or animal and answer any reasonable question about them and their suitability for our park environment. If we are not satisfied that the pet or animal is suitable for our park environment, we may tell you that you cannot bring them. This is because we cannot allow the safety of others to be put at risk.

18.4 Any pet or animal you bring must be supervised by and under the control of you, or of a responsible adult in your party, *at all times*. This means you may not leave any pet or animal

unsupervised in the caravan, or anywhere else on the park at any time. Nor may you leave any pet or animal under the supervision of any person aged under 18. These rules apply even if the pet or animal knows the Park well and you believe them to be well-behaved.

18.5 If you do not supervise and control any pet or animal, we are likely to ask you to remove it from the Park straight away. Depending on the circumstances, you may not be allowed to bring it back, or may only be allowed to do so with our written permission, which we would not withhold once our reasonable concerns have been addressed. This is because we cannot allow the safety of others to be put at risk.
